Disclaimer of liability:

Participation in the regatta is at your own risk and responsibility. The organiser and all other participants in this event accept no responsibility for loss, damage, injury or other events relating to the boats used in the regatta and the persons participating in or present at this regatta, insofar as these are not the responsibility of the aforementioned. This applies to events on the water as well as on land. Participants are solely responsible for the safety of their boat and themselves and for their decision to take part in the regatta.

The organiser reserves the right to cancel the regatta at short notice due to overriding requirements (e.g. pandemic requirements, severe weather). The registered participants will be notified accordingly.

By registering for the regatta, participants accept these conditions.

The RCSTU is looking forward to a lively participation and wishes all participants a safe journey and a successful regatta!
